

Benefits

Value / Convenience

Many furniture restoration problems can be resolved right in your own home.

Furniture repairs are done in place, by appointment, and completed the same day.

If you have fine furniture that has gotten a little sad over time, lost its glow, gotten in the way of the kids, been too close to a cigarette, or collapsed under Big Uncle Burt; then it's probably time to make up your list and call:

the Only Furniture Repairman who makes House Calls

Recent Repairs

9 a.m Start

Repaired cracked bedpost, replaced finial dowel, replaced missing hardware screws, refinished worn spot on desk front; replaced missing veneer on edge of dresser drawer, glued broken pieces on headboard, touched up black lacquer and gold leaf coffee table, glued chair rungs on 4 kitchen chairs and 3 stools, filled dent in burl top coffee table.

2 p.m. Finished

8 a.m. Start

Made missing molding on walnut liquor cabinet, stained & finished to match; repaired 2 cigarette burns in table top; revived finish on antique carved coffee table; cleaned, buffed & polished dining room table top

12 p.m. Finished

Let us take care of your list with one appointment.

We'll fix those wobbly dining room chairs, water spotted tables, cloudy bedroom dressers, shaky beds and sticking drawers.
